

Efficient, Effective Study

# A Matter of Translation Conference

Friday 30 August 2024

9 am to 3 pm

Anglican Church Grammar School (Churchie)

The proceeds of the third annual A Matter of Translation Conference, for the A Learner's Toolkit program, will be directed to the **Youth Homeless Accommodation Build - Anglicare Southern Queensland**.

## Conference streams

### Classroom management

Learn practical strategies for managing classroom dynamics and structures.

### Science of Learning (SoL)

Explore the translation of evidence-based techniques to optimize student memory, understanding, and overall learning outcomes.

### Science of Reading (SoR)

Unpack the cognitive science behind how students learn to read and examine the translation to effective instruction.

### Motivation and Self-regulation

Investigate current theories focused on student and teacher motivation and self-regulation.

## Keynote speakers

**Dr Tim McDoanld** (CEO of YMCA WA)

**Emina McLean** (Language and Literacy expert, Lecturer, and Primary Years School Leader)

**Peps McCrean** (Steplab UK)

**Scientia Professor Andrew Martin** (UNSW)
